GCM	TBA
Vehicle Number	WELBUILT SR2
Price	195000

The team at Waimea Engineering utilise an innovative approach to the design and manufacture of our **Side Tipping Trailers**, combining the latest high quality and lightweight materials into the chassis and bin designs for streamlined use in various applications

- Double 8m³ Raex 400 bins
- SAF Axles
- 50mm Tow Eye
- Single grease point for each lifting arm and pivots
- Self-contained engine and hydraulic system
- Purpose-built chassis to reduce tare weight without compromising strength
- Bins made from corrosion resistant high strength steel for reduced tare weight and long life
- Fully operational from the ground, or the cab with the optional wireless remote
