2012 UD Trucks MK11-250 Box Body 6x2 | Only 80,000km | Auto | Class 2 Licence

This 2012 UD Trucks MK11-250 is an outstanding example with an incredibly low 80,000km. Presented in excellent condition and well maintained.

Fitted with a premium Hale Manufacturing 49.8cubic meter Panel Lock body and Zepro tail lift, ferry tie downs and 3.5 ton tow bar it's the perfect truck for furniture removals, freight, courier work, horse truck conversion or general transport.

Features:

- Only 80,000km
- 50Cubic meter body
- Automatic transmission
- 17-tonne GVM – can be driven on a Class 2 licence
- Premium Hale Manufacturing Panel Lock body
- Zepro hydraulic tail lift
- 6x2 rear axle configuration
- Well serviced and maintained
- Reliable UD diesel engine renowned for durability

Internal body dimensions are 7430mm L x 2770mm H x 2420mm W

With its exceptionally low kilometres and high-quality body, opportunities like this don't come along often this UD represents outstanding value. The body and tail lift alone would cost well over $80k to build today.

Truck is located at our Christchurch branch for viewing.
